

MES & Process Minds 2014

Implementation | Global Roll-Out and Harmonization | ROI | Project Execution Management | Business and Real Cases | New Technologies

September 22 – 23, 2014 | MARITIM proArte Hotel Berlin, Germany | <http://pharma-mes2014.we-conect.com>

The **MES & Process Minds 2014** and its topics are **reaching a new level** – It has become the leading conference for MES & IT manufacturing technologies. It is returning as the perfect opportunity to share experiences and discuss new approaches and future trends with professionals from all around the world: Leading Manufacturing Execution Systems management professionals are brought together to the **annual MES & Process Minds 2014** conference in Berlin.

“The MES Process Minds 2013 edition showed us that the world of Manufacturing Systems is a small world and it was comforting to learn that many players, big and small, share the same challenges and opportunities on this topic”

David Cools, Janssen Pharmaceutical companies of Johnson & Johnson

These **companies** – amongst others – already confirmed their presentations:

- **B. Braun Medical Inc. / USA (Daniel O. Triviño, MES Administrator):** Extend MES Functionality by Integrating MES (Level 3) to a Lower Level Batch Control System (Level 2)
- **Sanofi / France (Didier Basseras, Vice President Clinical Supplies – Clinical Supply Chain):** Evaluate Available MES Systems and Vendor Capabilities and Develop a Strategy for Deployment
- **Eli Lilly & Co / Italy (Gianmarco Calderoni, Global MES Sr. Manager):** The Unique Experience of Global Pharma MES Team in Eli Lilly & Co.

Get an Insight to **high recommended revelations** of the branch with the online **MES SURVEY 2013:**

Within the framework of last year’s MES & Process Minds in September 2013, we.CONECT Research & Intelligence in cooperation with Halfmann Goetsch Partner AG for the first time conducted an online-survey inquiring about on-going changes and developments in MES management in the life science and process industries around the globe. Revelations which we want to share with you to help you plan the future – gain insight into the results **here**.

For more details regarding our exclusive speaker panel, full project descriptions and networking opportunities, please visit our **MES & Process Minds 2014** conference website: <http://pharma-mes2014.we-conect.com>

We are looking forward to welcoming you at the MES & Process Minds 2014 from September 22 – 23, 2014 in Berlin!
